

HOLLAND GRAVESIDE GRASS

HOLLAND SUPPLY'S EXCLUSIVE NO-FRAY BINDING

Our grass is the most pliable, yet durable on the market. The fibers are heat set into a double strength backing. This grass will not absorb water and is easily cleaned. Our exclusive NO-FRAY binding means it won't unravel and will last longer.

Available in two styles: Deluxe and Premier.

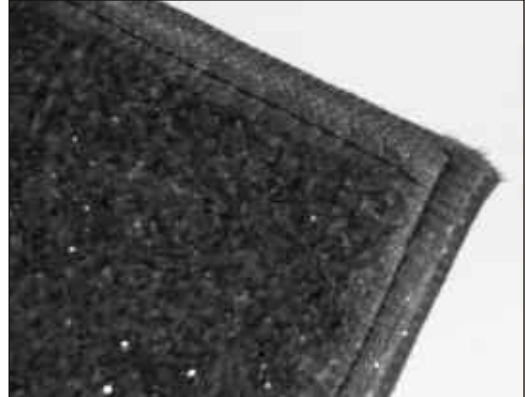

Standard Set

2 - 6' x 14' Mound Covers

2 - 6' x 8' Side Pieces

2 - 3' x 9' T's

Holland's NO-FRAY Binding

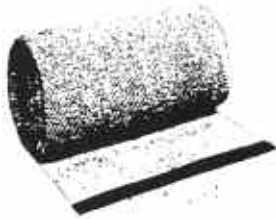

Above Ground Set

2 - 3' x 8' Side Pieces

2 - 3' x 9' End Pieces

2 - 6' x 14' Mound Covers

Cocoa Matting

Ideal for runways during bad weather or muddy conditions. Stapled or sewn Jute binding on ends.

Available: Widths: 36" 45" 54" 72"
Length: any

Holland Rol-Tuf

An excellent alternative to Cocoa Matting. Two tone brown with our same NO-FRAY binding. Does not soak up water, and easily cleaned.

Available: Widths: 0' up to 6'
Length: up to 100'
