

CLOCKS AND DISPLAY CHESTS

Howard Miller Clocks and Display Chests

Howard Miller is the world leader in clocks, and is renowned for their woodworking and craftsmanship. Their offering of clocks, chests, and mementos, give you a unique opportunity for an incremental revenue source.

How the Howard Miller system works:

- Display the clocks and mementos in a chest or grandfather clock, or on their own.
- Offer these items to the family members for keepsakes.
- Many of the items have a picture and inscription of the loved one, most hold cremation remains.
- Your families' benefit by getting a quality memorial for each of their homes.
- You benefit by enjoying an incremental revenue source.
